Summary

2nd year Computer Applications/Software Engineering student, currently looking for internships in the software industry for Summer 2017. Organized, punctual, can communicate well in a team, a good work ethic from past experience, and a quick/avid learner. With an interest specifically in both data science and android development.

Education

2015 – Present: BSc Computer Applications, Dublin City University

First Year: First Class Honours

Modules: Programming(Data Structures/Algorithms), Programming(OOP), Intro to Databases, Probability and Statistics, Operating Systems, Systems Analysis, Computer Architecture and Assembly Level Programming.

Projects:

- Completed many programming labs, answering a variety of questions in both Java, Python, and x86 MASM.
- I have completed a project in Systems Analysis, through SSADM, in which I analysed a case study and created a series of diagrams to illustrate the activities, outputs, etc of the company.

2015: Leaving Certificate, Skerries Community College. 430 Points.

Skills

- **Programming:** Java, Python, R, SQL, x86 MASM, WinMips, Prolog.
- **Web Design:** HTML & CSS, some XML.
- **Operating Systems:** Decent knowledge of both the Windows and Linux operating systems. Currently running a dual-boot of Windows 10 and Ubuntu.
- **Soft Skills:** Excellent communication and selling skills, can work well in a team, and can work well in a leadership role if necessary.

Work History

2016 – Present: Dixons Carphone. Part-time Sales Consultant.

- Allowed me to get a considerable amount of experience working with people, to help them make smart buying decisions.

Side Projects

- Developed a **personal website**, with HTML & CSS, and hosted it on Github through the Github pages feature.
- I am currently working through the *Udacity* course on **Android development basics** alongside my college course.

Achievements/Interests

- **Campaign manager** for the successful election of the current DCU School of Computing and Engineering faculty representative.
- Currently an avid member of Round Towers Lusk GAA club's Adult First and Second football teams.
